

We are excited to be working with CSD Expo as the official show decorator for the services you will need to have a successful event.

Each of you will be receiving an email with a log in to the CSD exhibitor portal. If you haven't received the email by the end of the day, Friday December 31, 2021, please check your spam folder.

Your online portal will allow you to view, order, and track all of the elements required to ensure you have a successful event.

If you have any questions or have trouble logging in once you get the email, please contact Terri Kennedy.
